

Safety Data Sheet (SDS)

According to GHS (Global Harmonized System) - Hazcom 2012

Date Printed (YYYY-MM-DD): 2020-04-15

Section 1 - Product and Company Information

Product Name: Uni-Cloth Fiberglass Cloth

Product Part Number(s): 2043-U,

Recommended Use: Woven fiberglass cloth used for reinforcing repairs on SMC and other rigid plastic

COMPANY IDENTIFICATION:

Polyvance
1128 Kirk Rd.
Rainsville, AL 35986

Information email: info@polyvance.com

EMERGENCY TELEPHONE NUMBER:

24 Hour Emergency contact: Chemtrec: 1-800-424-9300
Outside US: 703-527-3887

Customer Information Number: 256-638-4103 (7AM - 4PM (CST) M-F)

Section 2 - Hazards Identification

Appearance: White fibers woven into fabric.

Odor: No distinctive odor

Hazard Statement:

CAUTION! May cause an allergic skin reaction. Causes eye irritation.
May cause respiratory irritation.

Signal Word: CAUTION!

Signal Word Hazard: Irritant - moderate respiratory

GHS Physical Hazard Pictogram	GHS Health Hazard Pictogram(s)	GHS Environmental Hazard Pictogram
Not Applicable	Not Applicable	Not Applicable

GHS Hazards Statement Codes for This Product

Statement Type	Statement Code	Statement Text
Health	H317	May cause an allergic skin reaction
Health	H335	May cause respiratory irritation
Health	H320	Causes eye irritation

Precautionary Statement:

. Keep out of reach of children. Read label before use.

GHS Precautionary Statement Codes for This Product

Statement Type	Statement Code	Statement Text
General	P102	Keep out of reach of children
General	P103	Read label before use

Potential Health Effects

Eye Contact: May cause mechanical irritation to the eyes.

Skin Contact:	May cause mechanical irritation to the skin and possible dermatitis.
Inhalation:	May cause mechanical irritation of the upper respiratory tract.
Ingestion:	Very unlikely. If a large amount is swallowed, seek medical attention.
Repeated Exposure:	Chronic respiratory or skin conditions that are aggravated by mechanical irritants may be at increased risk from exposure to this product.
Cancer:	None of the components present in this material at concentrations equal to or greater than 0.1% are listed or regulated by NTP, OSHA or ACGIH as a carcinogen, but Glass Filament is listed by IARC as Group 3 (not classifiable as to a human carcinogen).

Section 3 - Composition / Information on Ingredients

Component	CAS #	ENIECS	REACH Reg. No.	Amount
Fiberglass, synthetic, vitreous, continuous filame	65997-17-3			99 - 100%

Section 4 - First Aid Measures

Eye Contact:	In case of eye contact, immediately flush eyes with large amounts of water for at least 15 minutes, keeping the eyelids open. Get medical attention.
Skin Contact:	In case of contact, immediately wash skin with mild soap and room temperature to cool running water. Use a wash cloth to help remove the fibers. To avoid further irritation, do not rub or scratch irritated areas. Rubbing or scratching may force fibers into the skin. Get medical attention if the irritation persists.
Inhalation:	If inhaled, remove to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. If breathing is difficult, qualified personnel may administer oxygen. Get medical attention.
Ingestion:	Ingestion of this material is unlikely. If swallowed, get medical attention immediately.

Section 5 - Firefighting Measures

Extinguishing Media:	Use water spray, dry chemical or CO2 to extinguish fires.
Special Protective Equipment:	Avoid exposure through use of a self-contained, positive-pressure breathing apparatus.

Section 6 - Accidental Release Measures

Other Release Information:	Avoid contact with skin, eyes or clothing (See Section 8). Clean up material, put into suitable container and dispose of properly (See Section 13)
-----------------------------------	--

Section 7 - Handling and Storage

General Handling Practices:	Maintain sealed against contamination from dirt and moisture.
------------------------------------	---

Section 8 - Precautions to Control Exposure / Personal Protection

Component	Source	Type	Value	Remarks
Fiberglass, synthetic, vitreous, continuou	ACGIH	TLV	5 mg/m3	
Fiberglass, synthetic, vitreous, continuou	OSHA	PEL	5 mg/m3	(Respirable)
Fiberglass, synthetic, vitreous, continuou	OSHA	PEL	15 mg/m3	(Total)

Personal Protective Equipment (PPE):

Eye / Face Protection:	Avoid eye contact. Wear coverall goggles, as necessary, to prevent irritation, if airborne dust or
-------------------------------	--

fibers are present.

- Skin Protection:** Wear protective clothing such as loose fitting, long sleeved shirt that covers to the base of the neck, long pants and gloves, as necessary, to prevent irritation. Skin irritation is known to occur primarily at pressure points such as around the neck, wrist, waist and between the fingers.
- Respiratory Protection:** Not ordinarily required. If sufficient dust or fibers are generated during use of the product, use a NIOSH approved dust respirator.
- Hygienic Measures:** Before eating, drinking, smoking or using toilet facilities, wash face and hands thoroughly with soap and water. Remove any contaminated clothing and launder before reuse. Use vacuum equipment to remove fibers and dust from clothing and work areas. Compressed air is not recommended.
- Engineering Controls:** Use local exhaust sufficient to control fibers or dust generated. If exhaust ventilation is not available or is inadequate, use a NIOSH approved dust respirator.

HMIS Personal Protection: B

Section 9 - Physical and Chemical Properties

Appearance: White fibers woven into fabrics. There may be a sealant applied to the edges of slit.

Color: White

Odor Threshold: Not determined

pH: Not determined

Melting Point: >1292 F (>700 C)

Freezing Point: Not determined
Not available

Boiling Range: Not available

Flash Point: Not available

Evaporation Rate: Not available

Flammability: Not available

Upper Flammability Limit: Not available

Lower Flammability Limit: Not available

Vapor Pressure: Not available

Vapor Density: Not available

Specific Gravity: 2.6

Solubility in Water: Insoluble

Partition Coefficient: Not available

Autoignition Temperature: Not available

Decomposition Temperature: Not available

Viscosity: Not available

Section 10 - Stability and Reactivity

Chemical Stability: Stable under normal handling and storage conditions.

Incompatible Materials: None

Hazardous Decomposition Products: Rapid heating of the product in bulk may produce an uncontrolled exothermic reaction which may char and decompose the finish, generating unidentified gases and vapors which may be toxic. Avoid inhalation.

Hazardous Polymerization: Will not occur under normal conditions of use.

Section 11 - Toxicological Information

Ingestion Toxicity: Not determined
Skin Absorption: Not determined
Inhalation: Not determined
Sensitization: Not determined
Acute Dose: Not determined
Repeated Dose: Not determined
Carcinogenicity: Not determined
Corrosivity: Not determined
Neurological: Not determined
Reproductive: Not determined
Genetic: Not determined
Developmental: Not determined
Eye Irritation: Possible mechanical irritation
Skin Irritation: Possible mechanical irritation
Target Organs: Not determined

Section 12 - Ecological Information

EcoToxicity: No ecological data has been determined

Section 13 - Disposal Considerations

Disposal Method: Material for disposal should be placed in appropriate sealed containers to avoid potential human and environmental exposure. It is the responsibility of the generator to comply with all federal, state, provincial, and local laws and regulations. We recommend that you contact an appropriate waste disposal contractor and environmental agency for relevant laws and regulations. Under the US Resource Conservation and Recovery Act (RCRA), it is the responsibility of the product to determine at the time of disposal, whether the product meets relevant waste classification and to assure proper disposal.

Container Disposal:

Section 14 - Transport Information

DOT

Proper Shipping Name: Not Regulated

IMDG (Maritime transport)

IATA (Air transport)

Section 15 - Regulatory Information

Superfund Amendments and Reauthorization Act of 1986 (Emergency Planning and Community Right-to-Know Act of 1986)
Sections 311 and 312

Immediate (Acute) Health Hazard: Not available

Delayed (Chronic) Health Hazard: Not available

Fire Hazard: Not available

Reactive Hazard: Not available

Sudden Release of Pressure: Not available

The following lists hazardous components and the regulatory lists for which they are required to be reported.

Component: Fiberglass, synthetic, vitreous, continuous filament fiber

CAS: 65997-17-3

Amount: 99.6-99.9

Fiberglass, synthetic, vitreous, continuous filament fiber is on the California Prop 65 Cancer list.

HMIS Rating (0 - 4)

HEALTH	1	Health = 1
FIRE	0	Fire = 0
PHYSICAL	0	Physical = 0
