

Safety Data Sheet (SDS)

According to GHS (Global Harmonized System) - Hazcom 2012

Date Printed (YYYY-MM-DD): 2020-04-15

Section 1 - Product and Company Information

Product Name: PlastiFix Powder, White - large

Product Part Number(s): 2531-L,

Recommended Use: To repair broken plastic parts

COMPANY IDENTIFICATION:

Polyvance
1128 Kirk Rd.
Rainsville, AL 35986

Information email: info@polyvance.com

EMERGENCY TELEPHONE NUMBER:

24 Hour Emergency contact: Chemtrec: 1-800-424-9300
Outside US: 703-527-3887

Customer Information Number: 256-638-4103 (7AM - 4PM (CST) M-F)

Section 2 - Hazards Identification

Appearance: White powder

Odor: Faint

Hazard Statement:

Causes mild skin irritation. May cause respiratory irritation.

Signal Word: Not Applicable

Signal Word Hazard:

GHS Physical Hazard Pictogram	GHS Health Hazard Pictogram(s)	GHS Environmental Hazard Pictogram
Not Applicable	Not Applicable	Not Applicable

GHS Hazards Statement Codes for This Product

Statement Type	Statement Code	Statement Text
Health	H335	May cause respiratory irritation
Health	H316	Causes mild skin irritation

Precautionary Statement:

Keep out of reach of children.

GHS Precautionary Statement Codes for This Product

Statement Type	Statement Code	Statement Text
General	P102	Keep out of reach of children

Potential Health Effects

Eye Contact: May be irritated by gross overexposure, no matter how generated. Keep dust out of eyes.

Skin Contact: May be irritated by gross overexposure, no matter how generated. May cause dryness.

Skin Absorption: May cause dryness.

Inhalation: May irritate eyes, skin and respiratory tract.
Ingestion: OSHA classifies the material as Particulates, not otherwise classified.

Section 3 - Composition / Information on Ingredients

Component	CAS #	ENIECS	REACH Reg. No.	Amount
Benzoyl Peroxide	94-36-0			0.5-1.5%
Particulates not otherwise classified				60-100%
Residual monomers	NA			0.5-5.0%

Section 4 - First Aid Measures

Eye Contact: Flush with water for 15 minutes, including under eyelids. Get medical help if discomfort persists.
Skin Contact: Wash with soap and water. Get medical help if discomfort persists.
Inhalation: Remove to fresh air. Get medical help if discomfort persists.
Ingestion: Rinse mouth with water. Call doctor if amount was large.

Section 5 - Firefighting Measures

Extinguishing Media: Water, carbon dioxide, dry chemical.
Unusual Fire or Explosion Hazards: Polymer dust is combustible. The explosive limits of the polymer particles suspended in air are approximately those of coal dust.
Fire Fighting Procedures: Avoid extinguishing methods which may generate dust clouds. Water stream can disperse dust into air, producing a fire hazard and possible explosion hazard if exposed to ignition source.

Section 6 - Accidental Release Measures

Methods For Clean Up: Sweep up to avoid slipping hazard. Keep airborne particulates at a minimum when cleaning up spills.
Methods for Containment: Dispose in a landfill or incinerate according to Federal, State and Local regulations.

Section 7 - Handling and Storage

General Handling Practices: Keep out of reach of children.
Handling Precautions: Use in well ventilated areas. Wear gloves when handling powder.
Storage Requirements: Store in a cool dry place. Keep container closed to prevent water absorption and contamination.

Section 8 - Precautions to Control Exposure / Personal Protection

Component	Source	Type	Value	Remarks
Benzoyl Peroxide	OSHA	PEL-TWA	5 mg/m ³	
Benzoyl Peroxide	ACGIH	TLV-TWA	5 mg/m ³	
Particulates not otherwise classified	OSHA	PEL-TWA	15 mg/m ³	
Particulates not otherwise classified	ACGIH	TLV	10 mg/m ³	

Personal Protective Equipment (PPE):

Eye / Face Protection: Safety glasses or chemical splash goggles.
Skin Protection: Normally not necessary, but latex or nitrile gloves are appropriate.

Respiratory Protection: Use type for Particulates not otherwise classified, if needed.

Hygienic Measures: Wash face and hands thoroughly with soap and water after use and before eating, drinking, smoking, or applying cosmetics.

Other Protection Measures: Provide eyewash, safety shower and impervious clothing are recommended.

Engineering Controls: Use good, local exhaust.

HMIS Personal Protection: B

Section 9 - Physical and Chemical Properties

Appearance: Fine powder. Faint odor in bulk.

Color: White

Odor Threshold: Not Available

pH: Not Available

Melting Point: Not Available

Freezing Point: Solid at room temperature.
Not Available

Boiling Range: Not Available

Flash Point: 580F

Evaporation Rate: Not Available

Flammability: Not Available

Upper Flammability Limit: Not Available

Lower Flammability Limit: Not Available

Vapor Pressure: Not Available

Vapor Density: Not Available

Specific Gravity: 1.25

Solubility in Water: Insoluble

Partition Coefficient: Not Available

Autoignition Temperature: Not Available

Decomposition Temperature: Not Available

Viscosity: Not Available

Section 10 - Stability and Reactivity

Chemical Stability: Stable

Conditions to Avoid: Heating above 464 F (240 C)

Incompatible Materials: Strong oxidizing agents.

Hazardous Decomposition Products: Methacrylate monomer and oxides of carbon when burned.

Hazardous Polymerization: Will not occur

Section 11 - Toxicological Information

Ingestion Toxicity: Not Available

SkinAbsorption: Not Available

Inhalation: Not Available

Section 12 - Ecological Information

EcoToxicity: Not Available

Section 13 - Disposal Considerations

Disposal Method: Dispose in a landfill or incinerate according to Federal, State and Local regulations.

ContainerDisposal: Reuse of empty drums or containers is not recommended. Employees should be advised of the potential hazards, due to residual material associated with empty containers. It is our policy to discourage the reuse of empty containers and to dispose of all empty containers properly in accordance with Federal, State and Local regulations.

Section 14 - Transport Information

DOT

Additional DOT Shipping Information: Not regulated as a hazardous material or dangerous goods for transportation by this agency.

IMDG (Maritime transport)

Additional IMDG Information: Not regulated as a hazardous material or dangerous goods for transportation by this agency.

IATA (Air transport)

Additional IATA Shipping Information: Not regulated as a hazardous material or dangerous goods for transportation by this agency.

Section 15 - Regulatory Information

Superfund Amendments and Reauthorization Act of 1986 (Emergency Planning and Community Right-to-Know Act of 1986) Sections 311 and 312

Immediate (Acute) Health Hazard: Not available

Delayed (Chronic) Health Hazard: Not available

Fire Hazard: Not available

Reactive Hazard: Not available

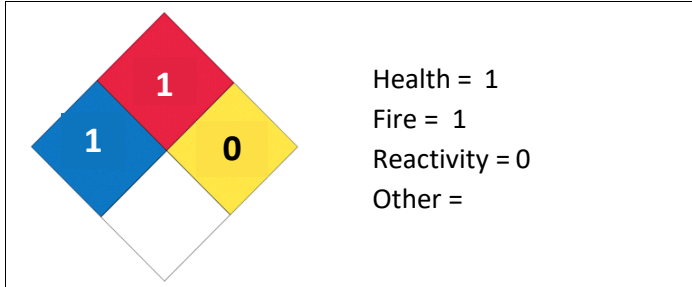

Sudden Release of Pressure: Not available

The following lists hazardous components and the regulatory lists for which they are required to be reported.

HMIS Rating (0 - 4)

HEALTH	1	Health = 1
FIRE	1	Fire = 1
PHYSICAL	1	Physical = 1
PERSONAL PROTECTION	B	Personal Protection = B

NFPA Ratings

Section 16 - Other Information

Legend

ACGIH	American Conference of Governmental Hygenists
CFR	Code of Federal Regulations
DFG	Deutsche Forschungsgemeinschaft
HMIS	Hazardous Materials Identification System
IARC	International Agency for Research on Cancer
MAK	Maximum Allowable Concentration (German)
NFPA	National Fire Protection Association
NIOSH	National Institute for Occupational Safety and Health
OEL	Occupational Exposure Limit
RCRA	Resource Conservation and Recovery Act
STEL	Short Term Exposure Limit
TLV	Threshold Limit Value
TWA	Time Weighted Average

DISCLAIMER

This Safety Data Sheet (SDS) is prepared in compliance with GHS Hazcom 2012. The information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty or merchantability, fitness for any use, or any other warranty is expressed or is to be implied regarding the accuracy of this data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material is furnished on the condition that the person receiving it shall make his/her own determination as the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.
