Headlight Restoration Kit

Headlight Magic is the perfect solution for restoring the optical clarity of scratched or hazed headlights. The Headlight Magic Headlight Restoration Kit includes everything needed for a complete headlight restoration. Whether it's scratches and gouges from a fender bender or yellowed, light absorbing oxidation from the sun, Headlight Magic can restore the factory appearance and clarity of the plastic. It can be used on virtually any plastic to improve clarity and shine. Headlight Magic is the ideal companion to polish repairs made using the PlastiFix line of plastic repair products.

Benefits:

- Easy to use.
- High quality abrasive pads quickly remove hazing without loading up with sanding dust.
- Eight grits of abrasive for removing the toughest scratches quickly but will produce the finest quality polish with the 12,000 grit pad.
- Polishing cloths and Micro-Gloss polish included to ensure the highest quality results
- Will easily pay for itself in the first repair.

Kit Contents:

- 4 - Buffing Pads
120/220 grit
400/1,500 grit
2,400/3,600 grit
4,000/12,000 grit
- Micro-Gloss buffing solution
- 2 soft cotton buffing cloths
- Instructional sheet
